SCHOOL DAY MEMORIES

As we reach out our hand
The diploma we grasp,
While we think of the memories
Of the years in the past.
Tears fill our eyes
Because it's all gone,
We're starting a new life,
We have to move on.
We hope friends keep in touch
As the years pass us by,
Although it hurts inside
We'll try not to cry.
We think of kindergarten
And our first day,
Now we've reached the end
We are going away.
How do you say good-bye
To the friends that mean so much?
Will there be time
To sincerely keep in touch?
You'll always have the memories
Of your school years from day one,
Don't think of school as ending —
Think a new life has begun.

Homecoming

Homecoming "85" started out Monday with everyone preparing themselves for a day in the sun, as it was HAWAIIAN, HAT, & SUNGLASSES DAY. Tuesday, REVENGE OF THE NERDS DAY, was a big hit with everyone participating, even some teachers! BABY AND SUCKER DAY was Wednesday. The cheerleaders with the help of the Home Ec. students, sponsored a Royal Tea for the Homecoming Royalty. The activities and games for the afternoon were rained out, so the classes played volleyball and later watched movies. Thursday was PUNK ROCK DAY. Coronation was at night. The Royalty included: Steve Albers, Renea Albers, King Keith Huss, Queen Pam Hein, Tonya Triplett, and Todd Lund. The flowergirl and crownbearer were Christina Lafrenz and Andrew Markert. A bonfire followed the crowning. Friday was RED-N-BLACK HUG A BOMBER DAY!! The cheerleaders were up bright and early and prepared a breakfast for the Senior football players and coaches. In the afternoon, classes were dismissed for the traditional parade through Battle Creek. In the Homecoming game, the Bombers tried to tackle Wall Lake, but were defeated. After the game, the dance featured tunes by Masters of Music, which lasted until 12:30 a.m. And that was the end of a very fun and exhausting Homecoming week at B.C. High until next year.

The dance was by Mr. Tunes and the movie was held at King Theatre. Sponsors were Mrs. Wiese, Mr. and Mrs. Forthum, and Mr. Wheeler.

Poem to the Seniors

Another year goes passing by,
another prom is here,
to some this brings a tear.
For years you have tred a path,
from rise to setting sun.
But now the path gets steeper
and the climb's just begun.
We're very glad to know you;
We'll miss you when you're gone.
And to the Class of '86
We dedicate our Prom.

School year began and quickly came to an end. The elementary children had many activities to keep them busy throughout the year. Traditional recesses are always a favorite of everyone. Marching in the Homecoming parade helped lead the football team to a victory. We can't forget the Christmas concert, which was brought to life by packages, bells, a live Nativity scene, and the little kindergarteners running around in their pajamas.

This was the year of Halley's Comet soaring above us. In Bomber Country, we had a late start after Labor Day, but kept moving at an invigorating pace throughout the school year. We performed in academics, music, sports, speech and drama and accomplished state and conference honors.

This was the year of competition in a Lift-a-thon and the creation of a Bomber Press. Art students painted murals to liven up our walls. Iowa writer Michael Carey was our artist-in-residence. Home Economics students served a delicious Thanksgiving meal. Chemistry and Physics students travelled to Sioux City. "Time Out For Ginger" and music concerts energized audiences in both the high school and elementary gymnasiums. Our list of activities could go on and on but we hope to set your memories in motion to recall even more special times.

As the Class of 1986 is getting ready for take-off, they represent the energy of "Bombers In Motion." Changing, growing, and progressing, the Bombers keep moving onward and upward.
